

Triad Hydrophilic Wound Dressing

<https://skymedicalsupplies.net/>

Triad Hydrophilic Wound Dressing is a zinc-oxide-based hydrophilic paste. It's typically used to treat wound exudates that are light to moderate in severity. This triad paste absorbs exudate and adheres to moist wound beds gently and it also features great autolytic debridement by providing an ideal wound healing environment.

Holding Chamber

Making breathing easier for you.

ORDER NOW

<https://skymedicalsupplies.net/>

The Holding Chamber is an aerosol medication aid. Aerosol medications primarily target the lungs and trachea to avoid the side effects of oral medications. However, these medications can be difficult to take effect. When using a gaseous medication, you can't see it and you may not know if you're taking it effectively.

Dermal Wound Cleanser

This is a must for every household in case of an emergency.

<https://skymedicalsupplies.net/>

BOOK NOW

Wound cleansing helps optimize the healing environment and decreases the potential for infection. It loosens and washes away cellular debris such as bacteria, exudate, purulent material and residual topical agents from previous dressings. Most wounds should be cleansed initially and at each dressing change.

Comforter Small Wide Power Lift Chair Recliner

Easily Raise to a Standing Position.
Gently Lower to a Seated Position.

Buy now

<https://skymedicalsupplies.net/>

We recognize that "One size does not fit all" when it comes to power lift chairs. We've expanded our classic Comforter Series power lift recliners with wider seating areas and greater lifting capacities. Most of the five lift recliners in this series use two heavy-duty motors for strength and support, with a three-position style recline mechanism. This small wide power lift recliner has a weight capacity of 375 pounds.
