# Cryotherapy and Hot Water Therapy System

ORDER NOW

<https://skymedicalsupplies.net/>

Circulating Personal Heat/Cooling Device by Aqua Relief with Universal Pad for Knee, Elbow, Shoulder, Back Pain, Aches, Swelling, Sprain, Injuries

HOW IS THIS HOT AND COLD THERAPY UNIT USED: Hot and cold water is quietly circulated through the leak-free 52 hose to the pad, giving your body complete hot or cold coverage. Add ice and the cry-cool system circulates cold water for up to 5 hours; while the heating system revs up in less than 10 minutes and can give you the desired heat level for as long as you need it.

UNIVERSAL WRAP TO RELIEVE WHAT AILS YOU: You may have any number of areas sorely in need of some relief and the universal wrap can take care of them. The universal wrap is 11x 11 and includes a 3x39 Velcro strap for use with various areas like the hip, ankle, wrist, shoulder, leg, or elbow. Additional pad designs are sold separately.

# Zoomer Electric Wheelchair

Big  
Advantages  
In A Power  
Chair

<https://skymedicalsupplies.net/>

You will not believe it! Foldable and with a small battery pack that will allow you to drive across town and into your local cafe with confidence knowing your Zoomer power chair will easily fit into any environment and narrow places. The long-lasting battery will allow you to enjoy shopping and do whatever you want.  
Easily Scales Inclines. The Zoomer is capable of climbing up to a 10° incline. As a general reference, ADA-compliant wheelchair ramps are 5° or less.  
Turns On A Dime. Navigate into small spaces with a 50% smaller turning radius than other mobility scooters. Zoomer has a 24" turning radius.  
Drives On Multiple Surfaces. The Zoomer operates best in dry conditions on level pavement. Travel unhindered over grass or gaps smaller than two inches.  
Fits Under A Table. Just drive right up to a table or desk. No changing chairs are needed!

# So Lite Wheelchair

Lightweight and  
high quality

<https://skymedicalsupplies.net/>

Body Building - Martial Arts - Cardio - Yoga - Consultation

The ultralight wheelchair with heavyweight features

Features designed for added safety include a dual braking system with manual locks (and front brakes to prevent the chair from moving when you don't want it to), front caster wheels (for added maneuverability), two anti-tipping rear wheels (for added balance and support) and flat-free tires (no maintenance required.) A first-time user told us in amazement, "I could easily do the smoothest 360° turn, right in place."

Features designed for added convenience and comfort include flip-back arms so you can roll right up to a desk or table; padded and durable seat and back cushions that remove for quick cleaning; and—for easy storage and transit—a flip-down backrest and removable, quick-release rear wheels. All this is at a fraction of the weight of a standard wheelchair and a weight capacity of 250 pounds.

Why spend another day struggling with an inadequate, difficult wheelchair? Call now, and a helpful, knowledgeable product expert will answer any questions about the So Lite™ Wheelchair. It's waiting for you at the corner of innovation and function!
